ICI Pakistan wins MAP Corporate Excellence Award

Karachi, August 22, 2013:

ICI Pakistan was once again awarded the MAP (Management Association Pakistan) “**Corporate Excellence Award**” in the Chemicals category for 2012. The awards ceremony held on August 22, 2013 is an annual event to recognize and honor companies with outstanding performance, and progressive and enlightened management practices.

The Company aims for the highest standards of performance and behavior in all its operations and this honor is a validation of its excellent management practices, compliance framework and solid core values.
